

CLEAN THE BALTIC SEA

SUNDAY **4 Oct 2015**

Rotarians invite you to save the Baltic Sea!

The third Rowing for Herring event takes place on Sunday 4th of October 2015, the same day, when the Finland's oldest public event, Helsinki Baltic Herring Fair, will be opened. The real marine happening for the whole family!

The Baltic herring became the label of the Rotarian event, since for centuries it has been both the main dish as well as a delicacy for Finns. Unfortunately, during the last decades the herring has also been a sign of the environmental degradation of the Baltic Sea, and recommended limits for safe consumption have been given. The funds raised by the Rowing for Herring event will be donated to the improvement of the water quality monitoring in the Helsinki Metropolitan area.

PROGRAM

10.00 am

Gathering by the seaside of Töölönlahti.

11.00 am

Rowing from Töölönlahti to the Marketplace.

12.30 pm

Lunch and the Rotarian Baltic Sea Seminar

2.30 pm
